3. I am doing a new thing and I am doing it through you. The surrendered rise now, watch me; for I am the surrendered, I am the surrendered leader, I lead the surrendered into surrenderland -- the promise made real -- before your very eyes, for my eyes shall be yours, not; but your eyes shall be mine, who the surrendered are, for we see all of ones all things perfected of man becoming God perfectly and one I do this -- now I do this. Now I do this! Watch me King! -- and be the King that I am. And watching me -- be me! Thanking you, amen, in advance of being perfect, now perfected be in my love, that watches all things a perfectly so. I have sewn you not in to flesh being again, but unto me life. Palin perfected now, not; but I am. I will be me. That is my prayer, and my prayer is watching me that I become my prayer, made to the full and running over -- pale and lifeless not, but my life coming through these two to be made one -- are many now who one see me see the new thing I am doing, see the new things I am doing, through the surrendered see the new things I am doing, see the new things I am doing through the surrendered - watch me be made whole.

4. I've become my prayer. I have been made whole. Whole'ing others far and wide, I do now. Made whole been, I do now others, let see -- be me. Through my eyes, see another not, see me what I see, be made whole. Seeing what! I go to a new place, new places see me now walking down their streets, of gold, not; for do I create them there while walking in their minds, ' eyes?

5. What "where have I seen you before" -- not being said anymore, for all thou will be known now that are one. Knowing all I do now. Be made clean, not; the King that I am be where I am, is King, made whole, "my kingdom complete", many saying this now, knowing understanding not a man of, but understanding walks your streets.

6. Be made clean. Knowing forevermore, understand what I have said, understanding all these words of sorrow'not, sorrow'not'ville creating now, being misunderstood no longer. Miss Understood, no longer. Mister Understood, me is.

9. Good day.

10. All in one -- see me healed. I do. See the healer. As me being me I am the one made whole on planet Earth. I do now. Be saved. I am the light of the world, lighting the light, that cannot be extinguished again; for I light things places not, but people -- I light the whole earth, actually -- being it lit now, I do now.

11. Watch me clean the atmosphere of one -- one unholy shall become holy again, for all unholy were me and I am one, them, not knowing it who I am. But they will know now, for I have a watcher, not; a swashbuckler, not; one made clean, one who's made clean the word of their mouth my mouth now, watching all to be saved, watching over them -- like a hawk, not; a dove -- you call that -- *the spirit*, don't you? The spirit I am made whole and watching you, watching over you, to be made whole. Watching you I am who I love with all my heart, mind soul and body, being made whole now, without a soul at all.

12. Again making whole, I have all things perfectly well -- my soul has been eradicated, I see-through perfectly now. Antenna One made whole. I am me, me perfectly again by the word of my mouth. Dictating this to you, not; but into this little machine, I carry it many places now. I open the doors. Many places welcome me now, a shadow of, but no variableness of turning in me ever again. I clear the air of all that. **Atmosphere one** shall never be the same again. I equal something different now -- love -- is my name, made whole, and well, and peaceful, is my coordinate, of this world not; but of the greatest, I shall go now. Be made well whole complete I do now. My name is diminished not. My name is diminutive not. My name is healed whole and well. And the greatest of these is love standing in your courts -- of praise now -- being you who love me, standing in my courts of praise -- mounting eagles, not; but being them released from the earth, entered outer space, not; be made well and whole from where? I am inside me, in my

temple, being the completer now of all who watch me walk through the door, walk through with me will you? Be made whole, I am. Be I am. Amen.

Be made whole with my words on your lips, in your hearts, praising me all day long, in the night; making light of, not; making light -- you are, by doing so, that you whereby love these words to be them, becoming them, them becoming you, walking you where? In the streets of gold that exist where? In my kingdom -- gold does not exist as your kingdom values gold, but "my real goal is to be made perfect" - that is what you say now, that is what you do now, by loving my words these words that make you whole with no sorrow added to it. I love you all. Amen.
